YMCA-SNOCO.ORG/SUMMER-CAMP

YMCA SUMMER

Summer camp at the YMCA of Snohomish County is so much more than a fun summer for all! At YMCA camp kids grow, build skills and gain self-confidence in a values-based environment. Our camps have much to offer kids from preschool to grade 11. As always, the focus of our camps is to make a positive impact on your child: Friendships, Achievement, and Belonging are constant themes at camp.

FRIENDSHIPS

We inspire kids to work and play together, creating friendships that can last a lifetime.

ACHIEVEMENT

We provide kids with opportunities to try new experiences. Show them all they can do when they believe in themselves.

BELONGING

We make kids feel welcome, feel comfortable being themselves, and know they're a part of something great.

SPECIAL NEEDS

Y staff members are trained to help children with mild to moderate diverse-abilities. However, our facilities are not adequately staffed to work with children who need significant assistance with personal care, constant one-to-one support, or have great difficulty managing their behavior in a group setting. If your child requires specialized accommodations, please contact your local YMCA family branch.

SAFETY

PROFESSIONAL ROLE MODELS:

YMCA camp staff are dedicated to providing a safe and wholesome environment for each camper. Camp staff are chosen for their maturity, strong values, enthusiasm, and ability to be positive role models for children.

STAFF TRAINING: Camp staff receive more than 40 hours in training prior to the start of camp. Training includes CPR, First Aid, child abuse prevention, emergency procedures, and water safety.

FACE CHECKS: Camp staff perform face checks and take attendance numerous times throughout the day and at every transition.

AUTHORIZED PICKUPS: Campers are only released to pre-authorized adults. Photo ID is required.

GROUP SIZE: Group sizes will be limited, and we will follow current guidance regarding camp group ratios and maximum campers per site. Campers will remain in consistent groups throughout the camp week.

HAND WASHING: Campers and staff practice frequent handwashing with soap and water for at least 20 seconds. Campers will be required to wash their hands upon arriving to camp, before and after meals, and as often as possible throughout the day.

HEALTH CHECKS: Campers and staff complete a health screening upon arrival to camp each day.

COVID-19: We will follow the current Washington State Department of Health and Snohomish Health District COVID-19 camp guidelines.

All are welcome and encouraged to be guides in raising children for whom they are responsible or to whom they have committed to being a positive adult role model.
