SWIM TEST & WRIST BAND POLICY

Every child 11 years of age and under must take the swim test. Drowning events are quick, quiet and happen when we least expect it!

- Children who pass the swim test will be issued a green band.
- Children who do not pass or opt out of the swim test will be issued a red band.
- Children who are wearing a red band must be within arms reach of a swimming individual (14+) at all times. The swim test is as follows:
 1. 25 yards (one length) of continuous front crawl, demonstrating good technique and breathing.
 2. Independently climb out of the pool, jump back in.
 3. Thirty seconds of treading, the swimmer's head must stay above water for the whole time.

Red Band: Non-swimmer

Swimmers marked with a red band are required to have a supervising individual (14+) in the water within arms reach at all times. Supervising individual (14+) must actively supervise children regardless of wearing a life jacket.

- Must remain in the shallow area of the pool.
- Adults with multiple children with red wristbands must stay within arms reach of all the children.

Green Band: Swimmer

Swimmers marked with a green band have successfully passed the swim test and are allowed to:

- Swim in the lap lanes
- Use the water slide
