

# FEBRUARY 2026

## MARYSVILLE FAMILY CALENDAR

### Love in Motion: A Kindness Walk

Love is a verb! This week, take a "Kindness Walk" together. Your mission: Spot one person helping another and identify one thing you love about your neighborhood. Then, leave a trace of love behind—tuck a "Have a Great Day!" note on a neighbor's door or leave a painted "kindness rock" on a sidewalk. By looking for the good and adding to it, you'll show your kids that love is something we do for our community every day.
