**THIS MONTH'S KIDS ZONE THEME
THE CURIOSITY CLUB**

TRY THIS AT HOME!

Next time you munch on fruits or veggies, play detective! Try this:

- Cut open an apple, pepper, or tomato.
- Count the seeds hiding inside.
- Ask: How do these tiny seeds grow into yummy food?

Plant a few seeds in a small cup of soil and watch what happens!

Are you set to lead curious learners this month? We will be observing nature, asking questions, and discovering surprising connections between the outdoors and indoors. Welcome to the Curiosity club!
